To: . Bill Kuhn

Date: April 9, 1991

From: . Susan Laffoon

Subject: . Comparison of Tar Deliveries for Market Sample #32 and #33

The tar deliveries generated by TITL for Market Sample #32 and Market Sample #33 are compared in the following tables. The cigarette brands are grouped by manufacturer and the difference in tar delivery (#32 - #33) is reported for each brand. Tar differences ≥ 1.0 mg appear in bold print.
